Action Taken Report on the Feedback & suggestions given by Students ©

Academic Year 2022-23

- Students are requesting to issue more books on one BT Card (Library Card). The same request is conveyed to Librarian. Library has started to issue more books to the students.
- Students are expecting more weightage to employability in the curriculum. According to their expectation the college has organized various skill based certificate courses during the academic year 2022-23.
- Students also suggested to provide printed study material other than books. All teachers
 are informed about the concern of students. All teachers are already providing
 handwritten as well as typewritten notes to students in physical form as well as pdf form
 through what's app groups.
- Students are also expecting more number of books issue library. The concern is raised with Librarian to issue more number of books along with other reading material like novels, biographies and other literary works.
- Some of the students expressed their concern about cleanliness of washrooms.
 But washrooms and lavatories are always kept clean. Moreover to this, the same is communicated to concerned people.
- As per the oral requests of students Industrial visits, study tours are organized every year by the college.
- Teachers are also asked to conduct extra-curricular activities for students.
- 8. Most of the students have given 'excellent' rating in overall aspects of the curriculum.

Analysis of Feedback collected From Teachers on curriculum

Academic Year 2022-23

- In their feedback forms, teachers have stated that the curriculum is designed by the parent university, which is being followed by them. So, we can just follow the recommendations of the university. We have no scope in curriculum alteration as per requirements.
- 2. Difficulty level of course content and level of course outcomes is normal as required. Syllabus is suitable to the course and it is need based.
- 3. Aims and objectives are well defined and clear to teachers and students.
- 4. They also responds that enough number of books related to curriculum as well as other reading materials are available in the library.
- 5. The books prescribed / listed as reference materials are relevant update to the mark and appropriate for the market of employment. But it requires lot more updates.
- 6. Term end examinations are conducted in time by the university, but the university takes more time for declaration of results.
- 7. Teachers have no proper freedom to propose modify suggest and incorporate new topics in the syllabus.
- 8. Teachers also opined that there is a Need of the hour to start skill based / value added education courses.
