## About National Conference

Indian is 3rd largest economy in the world and rich size up to 4 Trillion \$ economy. India has a unique opportunity to showcase itself as a resilient and self-reliant nation, capable of addressing complex challenges and contributing towards global development. In the recent days many continuous changes occurred in the field of commerce and industries like chat GPT, AI and modern techniques in management of business. So it is necessary to raise the curtain on the modern development and streams in the industry and commerce.

It is therefore only appropriate to organize a Conference on the title **'Recent Trends in Industry and Commerce'** so that it serves as a platform for encouraging discussions on how Indian industry, corporate can harness new opportunities to become a Vishwaguru – a global leader in knowledge, technology, and diplomacy. Through this Conference, we aim to foster a sense of various recent changes occurred in the field of commerce, Management and Economics reminding them of India's potential to build a brighter, more prosperous, and harmonious future.
